“ *To my mom upstairs. I have always considered myself lucky to have had you as my mom in law. I'm just starting to realize what I will never do again from kissing you on the head when I leave to telling you "WooHoo its Friday", and so many others. I love you, and will miss you. Until we meet again 🥹*

“ *I will miss you Barb. Although we didn't get together for lunches as we used to, you were always on my mind. Give Bob a hug for me. God always takes the best for his angels.*

“ Dear mom! These past 3 years, I have come to know you more than just my mom. The stories of your life when you were a child. The laughter that we shared watching a funny movie. Going up north to visit kathy and elaine you opened up to me as a friend. I love you mom. I feel lost without you. But I know I will be ok eventually. Mom your home. With God.
