“ George, I was saddened to learn of your mom's passing. I remember her as a warm and gentle woman, always a smile to share. I met my first dachshund when I met her little Missy and when I got my first one, she was also short-haired and red. She was always so proud of you and Ron and it was reflected in her face when she spoke of you. You were all blessed to have had each other but isn't The Lord the lucky one now to have her home.
