“ *I am so sorry for your loss. Jean and I worked together at Sears in Lincoln Park for many years. She was a good friend and co worker. I'm sure she will be missed by many.*

“ *Jean Stack was one of my most adorable patients. I had known her for over 7 years. She and I would share stories and would also mockingly make fun of her husband, Jim. I knew her daughter Lori who was a contemporary Ob Gyn when she was practicing in Michigan.*

After some time a doctor-patient relationship becomes more of a social interaction rather than a medical discussion. I would spend time chatting with her about other things than medicine.

She knew all my staff members and we loved having her come in.

We shall surely miss her.

Our deepest condolences to Jim, Lori and her family and may her soul rest in peace.

“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com
Sincerely, Carlos & Sandy

“ *I have a special memory of Jean that has lasted 13 years now. She reached out to me with the story of her Daniel. Having just suffered a similar loss, it made me feel not quite so alone. I will always be grateful for that. She always greeted my children with a warm smile and kind words. Now that she is with Daniel I have no doubt she has a smile and kind words for my Ian. Thank you Jean. - Laura Cloutier*
